Report of Principal and School Improvement Council

At Petersburg Primary School, our mission is to provide all students with a strong foundation for lifelong learning. The Southern Association of Colleges and Schools accredits Petersburg Primary. Student achievement improved through the use of research-based instruction and curriculum. Assessment data was analyzed to drive standards-based curriculum and instruction. Petersburg Primary exceeded the district average in Dominie this past year.

All of the teachers have participated in extensive professional development. Use of assessments for test data analysis, South Carolina Standards and their use in the classroom, Creative Curriculum early literacy strategies, and writing strategies were all topics of our professional development. Teachers and paraprofessionals work collaboratively in teams-planning and implementing instructional strategies to improve student success. Our school will continue to engage in quality classroom instruction with emphasis being placed on extensive use of curriculum strategies. Five of our teachers are National Board Certified. Student recognition included the Governor's Citizenship award, which recognizes students for outstanding service, discipline, leadership, and character. Special school events included Muffins for Mom, Doughnuts for Dad, Book Fairs, Art Shows, Breakfast with Your Child, and Family Literacy Night.

Petersburg Primary is supported by our parents, businesses, and community leaders through the PTO, Volunteer Program, Mentoring Program, Student Recognition Program, Title I Planning Committee, School Improvement Program, and the Arts in Education Program. Petersburg Primary has established and maintained a positive relationship with the community. As a service project, our school participated in the cancer Relay for Life.
